

COMPUTERS FOR THE COMMUNITY

Desktop Computer Program

PURPOSE: Our Computers for the Community program is designed to offer discounted computers to those affiliated with a CA non-profit or to those providing proof of low-income documentation with CA residency.

- A) Please fill out section A to the right if you are affiliated with a CA non-profit. Some overlooked non-profits include public schools, churches and libraries. Affiliations include employees, clients, associates, friends, family members and students or parents.
- B) Please fill out section B to the right if you are providing Renew Computers with proof of low-income documentation such as CalFresh, CalWorks, Medi-cal or SSI/SSP. Documentation must be submitted with this application.

SPECIFICATIONS: Below is the typical configuration of a refurbished desktop. All systems come with a 90-day warranty.

Specifications are subject to change.

- Intel Core i-Series Processor (i3, i5 or i7)
- 19" Color LCD Monitor
- 8 GB RAM / 240 GB solid state drive
- Optical Drive, Keyboard and Mouse
- Ethernet Port (optional wireless USB adapter sold separately in our showroom)
- Speaker Input (optional speakers sold separately in our showroom)

SOFTWARE: The systems we build, as described above, are complete and ready to plug in and use. Each system comes with the following software applications:

- **Microsoft Windows 10** Operating System
- **Microsoft Office 2019** Home & Student (Word, Excel, PowerPoint, OneNote)
- Windows Defender Anti-Virus software
- VLC Media Player & Sumatra PDF Reader
- Edge, Firefox & Chrome internet browsers

COST: We offer a complete refurbished desktop for \$159 plus tax. Optional add-ons, such as wireless USB adapters and speakers, can be purchased separately from our showroom. If you need something above and beyond the listed specifications please check our showroom inventory.

HOW TO APPLY: Please complete this form and return via email or mail to the following address:

Renew Computers
446 DuBois Street
San Rafael, Ca 94901
phone: 415-457-8801
email: jennifer@renewcomputers.com
